

MCLA Point Challenge Sanction Show Guidelines

1. Points will only be accumulated at MCLA sanctioned shows.
2. Shows must have sanctioning approved by March 1, 2008.
3. Sanctioned shows must abide by the following guidelines:
 - A. Market Lamb Classes must have a minimum of 5 lambs per class. Class sizes should be as equal in quantity as possible to increase fairness of class point accumulation. Shows must select top 5 in each class as well as overall top five market lambs.
 - B. Showmanship age of participants is to be based on age as of January 1, 2008. We will be dividing students into four age groups for our awards at the end of the Points Challenge this year. Using the same age requirement for each of the shows will help to give equal opportunity to all participants. Shows must select the top 5 showman in each age division.
 - C. Sanctioned shows will pay \$1.00 per head to the MCLA for each lamb entered in their show, payment must be made immediately after the completion of the show.
 - D. Sanctioned shows must provide full results to the Points Challenge Committee immediately following the show.
 1. A written and or electronic version of the results will be provided to each show about two weeks in advance for results to be submitted on.
4. It is not the intension of the MCLA Points Challenge to dictate how each show is run, but the above guidelines help to provide participants with a fair oppportunity to compete in the Points Challenge and must be followed by each sanctioned show. Shows who fail to comply with the above guidelines could result in not being sanctioned in the future.
5. MCLA Points Challenge Committee agrees to advertise entry forms and show flyers on the MCLA website as well as at prior shows if provided with flyers.
6. MCLA will do their best to provide a Points Challenge Committee member at each show.
7. MCLA requests table space to set up display and flyers at each sanctioned show.
8. MCLA requests a copy of reference material used for quizzes. This will allow for students to study and learn rather than going in not having any idea of what the quiz might entail.
