Dear MCLA Members:

On behalf of the MCLA Born Committee, I would like to again like to request your support of the MCLA Born Contests. This year, we have separated the contest into two divisions: Black Faced and White Faced.

As breeders, this contest can directly benefit your farm by encouraging the youth in Michigan to purchase Michigan born lambs, and in particular MCLA born lambs. Your donation to support this contest will go toward the end of the year monetary awards that the contest offers. Any and all donations are appreciated. Even if every breeder simply sent a \$20 donation, it would greatly increase our ability to pay out at the end. Please help us support the youth of Michigan who are purchasing MCLA Born Lambs.

Sincerely,

*The MCLA Born Committee*
