

PLEASE PASS ALONG TO THOSE THAT MAY BE IMPACTED!

I am passing this information on to each of you in case you talk to anyone about the Sheep Youth Extravaganza:

It will not be possible to get to the fairgrounds during the Ohio Sheep Youth Extravaganza from the 17th Ave. Exit as they are rebuilding the 17th Ave. Bridge over 71, it would be best to go the 11th Ave. Exit and go into the fairgrounds at the OHIO Gate (and wind your way through the fairgrounds to the sheep barn), or you can get off at the 11th Ave. exit and turn onto Clara Ave and go over the 17th Ave.

If you normally come in from Hudson Street and get on to 4th street to 17th, you will still be able to do that or any other way off of 4th Street or Summit St. will still be available.

Just do not try to get onto 17th from I-71; you will not be able to do it.

This construction project is to take place from June 8 - June 29, 2008, so it will be done before the Ohio State Fair (hopefully).
